TO SUSTAIN OUR CHURCH AND FAITH COMMUNITY

October 2023

Dear PCCT Church Family,

We are excited to announce the kickoff of our **Sharing our Bounty 2024 Annual Stewardship Campaign**. It's a time for us to reflect and express gratitude for the many blessings we have, and a chance to pledge our support to the church for the coming year. In addition, it's a way for us to continue caring for each other as we experience the joys and challenges of our life journeys.

This campaign is crucial because it allows us to plan for our annual operating budget. This in turn, enables us to maintain our wonderful spaces of worship, fairly compensate our dedicated staff, and ensure our programs remain engaging and impactful.

We need your help. Our church, as it stands today, exists because of the generous contributions from our congregation, contributions like yours. Your pledge not only supports PCCT's day-to-day operations, but also signifies a commitment to the future growth and vitality of our spiritual home.

But in recent years, there has been a dip in annual pledges. This has led us to explore alternative methods of funding such as loans, grants, and special fundraising campaigns. While these have provided temporary relief, **they aren't a sustainable solution**.

Highlighting the theme of this year's campaign — **Sharing our Bounty** — we are taking a different approach to Stewardship Sunday. We're aligning it with our Harvest Sunday on **November 19**. It will be a day of celebration and giving back - from sharing our bounty of food with those less fortunate, to financially supporting our church that binds us together as a faith community.

Our financial goal for 2024 is \$750,000. We believe that with the collective generosity of our church family, it is completely achievable. Your contribution, no matter the size, will play a critical role in ensuring that PCCT remains a welcoming and comforting place for all members of our church community.

We prayerfully ask you to consider pledging towards the **Sharing Our Bounty Annual Campaign** by Sunday, November 19. Together, we can ensure that our beloved church continues to thrive for years to come. Thank you for your consideration and your ongoing support.

Gratefully,

Your Stewardship Team
