

Marla Drury Memorial Scholarship Application

Dear Applicant and Parents,

May 2024

Women’s Ministries at PCCT is delighted you have an interest in the Marla Drury Memorial Scholarship. Marla was a long time member of PCCT who exemplified a warm, positive, and generous spirit while serving on many church committees throughout her time here. Her passionate work and leadership with the Morristown Soup Kitchen was her way of selflessly serving a community in need, and she fulfilled this duty with love, true compassion, a fun spirit, and a big smile. This \$1,000 scholarship will be awarded to any active church member who is graduating from High School or any current college student who is involved in community service and exemplifies the same generous, giving spirit to helping the community as Marla so graciously did. Please give us as much information about yourself as you can, as this will help the committee to select this year’s recipient. We ask that the completed application be returned to the Church office by June 2, 2024. The decision of the committee will be awarded in June.
