I understand that I am responsible for transporting my child to and from Sussex Tech for this free program. I will make every effort to make sure my child is dropped off and picked up in a timely manner so as to not interrupt the flow of the day. The program runs from 9 AM to 12 PM or 1 PM to 4 PM. Please be PROMPT. There will be no supervision between the two sessions and students cannot be dropped off early or remain in the Student Center. The Student Center reserves the right to cancel the program due to insufficient participation or to limit attendance to maintain safety.

Students should come prepared for the weather with sunscreen, a hat, and appropriate warm-weather wear, etc, as they will be outside. Please note that students are expected to follow the school dress code while in attendance. Shorts must be at least fingertip length. Students will be given the option of changing their clothing or parents will be called to bring a change of clothing. (More dress code details are available in the Student Agenda Book on page 30, accessible under the "Parents/Students" tab on the SCTS website.)
